MY LIFE IS NUTS

There are only two things in life that really upset me. 1: My sister poops on the floor and doesn't clean it up. 2:

My large nipples get hard during class.

Now most people probably get _____ Emotion much more easily than I do, but since I was trapped in the basement from the time I was born until about 16, I can barely speak English.

I digress. So, my sister manages to poop on the floor, while in class with me I might add, while my nipples are hard. Today is just the _____ Emotion ending in EST day of my life! Luckily, I'd recently lost one of my _____ Part of Body and I'm practically living off of Morphine right now, so I couldn't feel the beating my _____ School subject teacher unleashed upon me for my sister's behavior.

After being flown home by the guy on the Hot Fries bag (_____ Your hallucinogenic drug of choice is a magical drug), I fired up my _____ Game console and played me some good ol' _____ Awful awful game. This game really takes me back to my days of listening to _____ Rapper. His music gets me so _____ Emotion, so _____ Emotion, so hard. While playing, my parents _____ Dance move ending in ED in and began having rough _____ Word for intercourse on my _____ Place to sleep!

You're probably thinking at this point my life can't get any worse, but let me tell you what happened the next day :

The Animal. These evil Curse word or words ending in S swarmed my house, singing Untalented
singer songs Adjective and level of volume ending in LY, so Adjective and level of volume ending in LY it could wake
my recently deceased parents. I took my controller cord and swung around my controller, Incriminate of
time taking out most of them, but their leader soon arrived with Emotion in his eyes.
