How they met, the untold story of Kenji and Kristine!

Once upon a time Kristine and Kenji met at a Adjective Noun. The first thing that Kristine did was Verb Kenji. Kenji was so shocked to be Verb - Past Tense by Kristine, that he immediately asked her out on a Noun and Kristine said Exclamation! They went to the place and they held Noun - Plural all night. Ever since that day, Kenji has never gotten Kristine out of his Noun! It only took him Number years to give her a Noun.
