# Road Trip

You're on the road to a           Noun           of           Noun          . You have a           Adjective                     Noun           to take  
with a           Noun           full of           Noun - Plural          . Lets hope you can survive the           Noun - Plural           of the bus.  
When you get there stretch your           Noun - Plural           and sing your           Noun           out.
