## **Flying Lessons**

Madam Hooch lined all the students up outside on the quiditch Today they would begin to learn
advanced flying "Before we begin", she said, "I want you all to remember that these
moves are and that horseplay will not be tolerated. Now your
brooms and push off into the air about feet in the air." The students all called their brooms up
and did as instructed. Madam Hooch directed them to upside down and then Noun
around the goal posts at the far end of the pitch. Then she had them all practice flying feet
straight up and race towards thestopping just inches above it. Unfortunately, Neville Longbottom
as he approached the ground and pulled up at height weaving and
swerving all over as he tried to regain control of his His ride stopped when he
