A day

A day after Miley Cyrus smoked a on stage at the European Music Awards, Lady Gagais opening
up about what she believes is a dangerously addictive quality of
"You actually can become addicted to," the 27-year-old singer told Elvis Duran on New York's
Z100 Monday. "I have been addicted to I was smoking up to 15, 20
a day with no I was living on a totally other psychedelic plane, numbing myself
completely I had to stop."
