# A bad day

Today was the \_\_\_\_\_ day of my \_\_\_\_\_ life. First, my alarm didn't go off and I was \_\_\_\_\_ hours \_\_\_\_\_ for school. My teacher, Ms. \_\_\_\_\_ -Head, whacked me on the \_\_\_\_\_ with a \_\_\_\_\_ in front of everyone and I had extra homework for a whole \_\_\_\_\_ . Then I noticed I forgot my \_\_\_\_\_. Then I missed my \_\_\_\_\_ back home and had to \_\_\_\_\_ blocks which took me \_\_\_\_\_ hours to get home. Not only that, I was chased by a \_\_\_\_\_ all the way to my house. Once I got inside, my 3 \_\_\_\_\_ and \_\_\_\_\_ had made a huge mess because I didn't get home early enough to let them out! There was \_\_\_\_\_ everywhere, the big bag of \_\_\_\_\_ had fallen off the \_\_\_\_\_, a \_\_\_\_\_ was half eaten, my moms ancient \_\_\_\_\_ giraffe ornament broke, the kitchen \_\_\_\_\_ was knocked over and our mail was teared into tiny \_\_\_\_\_!! I had a lot of cleaning up to do before my parents got home from \_\_\_\_\_. But it doesn't end there, my boyfriend \_\_\_\_\_ who I had been dating for \_\_\_\_\_ left a message for me saying our relationship is \_\_\_\_\_ and that he's been seeing another \_\_\_\_\_, a \_\_\_\_\_. Life cannot get anymore \_\_\_\_\_ than this!
