# My Baby's First Birthday

My baby, name of person, had his first Birthday at place with Number other babies and their moms. It was a Adjective party full of flying Noun - Plural, Adjective instrument music, Noun playing, food item eating, playing Mr or Mrs. Dress up or down and jumping into a huge bed of Noun - Plural. I hired a Animal and a couple plural fictional character - witches wizards ghouls etc to entertain the little plural name calling - idiots brats angels sweethearts etc, they put on a Adjective show while verb ING in clothing plural, huge cartoon character slippers and waving a Noun around. same persons name had a Adjective smile on his Adjective face the whole time when I helped him Verb his presents. He got a Noun set, a computerized Noun to help him Verb, books about how to Verb your Noun, a new Noun, several Noun - Plural and even a life-sized transportation to ride around our room in house in. He even got cards that literally verb with ED, and one Adjective card from his daddy that said {"You are my Adjective boy. Hope you have a Adjective time turning Number. Love, Daddy different name of person"}. Then we took photos of my boy sitting on a high- Animal, stuffing his face with food plural, his friend Jill jumping on a Noun and another kid who fell asleep under a Noun curled up holding a Noun, I guess he had a little too much liquid! Soon after, the party was Adjective. I tucked his little tired out body in his Noun and read a long or short story called {"The Animal who verb with ED his Noun" } and before I knew it, I looked over to see a Adjective

boy sucking his little single part of body and sleeping sound. It was a Adjective day!
