A Note for the Parents-to-Be

My name is [Name] and I have known [Matt or Kaleena] for [Number] years. I [Verb - Past Tense] all the way from [Location] to be here to celebrate the upcoming arrival of their little [Baby Pet Name]. I am so [Adjective] that Matt and Kaleena are expecting! They are going to be [Adjective] parents. Having children is a [Adjective] experience, and their lives may never be [Adjective] again.

My prediction on Baby Carlson's gender is that it is going to be a [Boy or Girl]! He or she will be born [Early - On time - Late] after a very [Adjective] labor. [His or Her] eyes will be [Color] and hair will be [Color], most certainly looking more like [Person] than [Person]. I think the baby will weigh [Number] pounds and [Number] ounces, about the same size as a [Noun]. When Matt sees the baby for the first time, I expect he will [Verb] and say "[Exclamation]!!!!"

My [Adjective] advice as a [Number]-time parent is this: If you work together, you will practically never get into a situation like [Be Very Creative Here]. Be prepared, I have a feeling this baby will [Verb] all day and night! If you have already tried [Verb] to no avail, try singing my favorite calming song, "[Song Title]." Matt, always [Verb] Kaleena's [Noun], and do sweet things like cook her favorite pregnancy craving meal of [Adjective] [Noun]. Remember to keep pampering

Kaleena; try massaging her [Part of Body] with [Noun]; it's very popular at spas these days.

Kaleena, you should try to [Verb] Matt's [Noun] on a regular basis, and don't let him get away with things like [Be Very Creative Here].

Your days are about to be filled with a lot of [Noun or Verb] and very little [Noun or Verb]. Raising a baby is worth it, though! I can hardly wait to meet your new little [Baby Pet Name]!
