Thanksgiving Day Traditions

It is no secret that most Thanksgiving Day traditions revolve around Noun. Indeed, the turkey is the symbol of Proper Noun. Wild Noun - Plural are still quite common in many parts of the United States, so most Noun - Plural would concede that Animal was probably on the menu. However, there were probably lots of Adjective types of meat on the menu too, like Animal and Animal. What is more Adjective is what was missing from that first Thanksgiving. There were probably very few if any Noun - Plural at the Thanksgiving feast. Today we have mashed Noun - Plural, Noun - Plural, Noun - Plural and other Noun - Plural, but neither the pilgrims nor the Indians had any way to keep Noun - Plural Noun - Plural that far into fall. Another major difference is the lack of Noun - Plural at the first Thanksgiving. Today, Noun is a major part of the Thanksgiving meal. However by autumn of Year, the pilgrims were running low on Noun and probably didn't make any pumpkin Noun or peach Noun.
