Once Upon a Time

Once upon a time there was a Noun who was really Adjective and he had no control over his emotions. He wanted to ask this Noun out, but he was Verb - Base Form she would say no. He went up to her during time of day ex: breakfast lunch dinner time and told her she had a Adjective lunch and she left Adverb with steam coming out of her Part of Body . She was so Adjective and Verb - Base Form in the Noun until some teacher heard her and came in. She asked what was wrong and she told her that a Noun called her Adjective and she pulled out a Adjective Noun and stabbed herself right in the Part of Body . The teacher Verb - Past Tense with horror and soon many people crowded into the bathroom. A lot of Noun - Plural showed up and the kids all had to be sent home because of the Adjective scene. The parents were very upset and and horrified to find out about the news.
