Globalization

In general, globalization may ultimately reduce the importance of states. Supranational
institutions such as the Union, the WTO, the G8 or the International Court
replace or extend national functions to facilitate international agreement. Some Noun-Plural attribute the
relative decline in US power to
deficit. Increasingly, Non-Governmental Organizations influence public policy across
national boundaries, including humanitarian aid and developmental efforts. As a response to globalization, some
countries have embraced
makes it very difficult for foreigners to the country and strictly monitors their
Verb - Present ends in ING when they do.
