the werewolf

Noun

Jack Wilson was <u>Verb - Present ends in ING</u> out of the house at night, again. The cascading sounds of thunder from an evening <u>Noun</u> was just what he needed to cover his exit from his bedroom - a <u>Adjective</u> dash out the window and then down the wooden <u>Noun</u>; all hidden by the thick, rainy darkness. Perfect. If Jack's mom had ever suspected that he was <u>Verb - Present ends in ING</u> out of the house a night or two every <u>Noun</u>, he would have been grounded until he was a parent himself, but Jack <u>Verb - Past Tense</u> that he could not allow himself to get caught, especially on a <u>Noun</u> like this. He was on an <u>Adjective</u>
