7. Verb - Base Form

The Fail

Once upon a time there was a Noun who lived in a wood cabin.

He brought his Noun to take a video of the wilderness.

After about 5 or 6 days passed he captured a film of a mysterious Proper Noun that walked like a human.

He called it the Verb - Base Form FOOT from its large foot prints.

As he was looking at his Proper Noun he realized that this figure TRIPPED OVER THE ROCK.

Then the Proper Noun fell off of him and if other people realized that this wasn't a sasquatch this wouldn't be a famous mystery article.

Then he Verb - Base Form the film to the part where the BIG FOOT did trip over and the story has always been a mystery.

"Mu HaHaHAHAHAHA!"
