Helping

It was	s a	Adjective	day in the	habitat	The _	your anin	sat w	ay up in a	type of plant	
or tree	Sud	ldenly the	ere was a lou	d noise!						
The _	your ar	nimal	jumped out o	of his	body covering	He loo	oked around	theanothe	er habitat and	Į.
saw a	huge	predator	"Help,'	cried the	mean	predator				
"I hav	ve a big tl	norn in m	y type of t	foot !"	The	our animal	_tried to be _	Adjective	and climbe	d
slowly	y down tl	he tree. V	What could I p	possibly do	o? he though	nt. I am only	y a <u>speed</u>	vc	our animal	
Then	he remer	mbered w	hat his	relative	had taught	him. "You	should put y	our paw in w	arm	
1	liquid	." The	the predator	ran to	the bo	dy of water	He looked	l at his	number	
	type of foot	and	found the inj	ured one. V	With a loud	splash he p	ut hist	vpe of foot	in the	
1	body of water	"A	hhhhhhhhhhh	hh! That _	liquid	is so	temperature	!"you	ır animal was	,
able to	o think q	uickly. H	e grabbed a l	oig bucket	of	and p	oured it over	predator		
1	body part	He sa	aw that	predator	_ was now v	ery en	notion . So	he way	your animal moves	
back i	into the _	habitat	as fast	as his	number	_ legs would	d carry him.	He went back	to his	
1	type of house	and	l started to ch	nomp on _	food	_•
