## How to Wrap a Present

Before you start to wrap your Christmas present, make sure you have plenty of $\qquad$ paper and lots of
little $\qquad$ to stick on the package. If you are wrapping something $\qquad$ such as a/an
$\qquad$ , it is best to tape $\qquad$ around any parts that might $\qquad$ . Then take brown
wrapping $\qquad$ and wrap it very $\qquad$ . Take care that there is not $\mathrm{a} / \mathrm{an}$ $\qquad$ poking out anywhere. Now, take the expensive $\qquad$ paper that you bought at the $\qquad$ store and make a/an package. Finally, put stickers on that say "Do not $\qquad$ until Christmas" and put it under the tree with all of the other $\qquad$ . Then on Christmas morning when you see all of your
$\qquad$ , relatives opening their packages and saying " $\qquad$ !" you will feel positively $\qquad$ .
