## The Onion Christmas Tree

GRAND RAPIDS, MI--Noting that the sad little $\qquad$ addition really seemed to "pull the
$\qquad$ together," local $\qquad$ Jason Uhlir, $\qquad$ , was reportedly pleased Tuesday by the way his newly purchased 3-foot-tall $\qquad$ tree completed the unbelievably $\qquad$ look of his one-bedroom apartment. "I had this bleak, empty $\qquad$ between my stained secondhand
$\qquad$ and the slanting bookshelf where I keep my six $\qquad$ , so I thought it might be nice to put a $\qquad$ , pathetically under-decorated Christmas tree there," said Uhlir, noting how the shabby miniature $\qquad$ with its two $\qquad$ and single pitifully $\qquad$ strand of colored
$\qquad$ really "tied together nicely" with the ratty, soiled $\qquad$ he placed beneath the tree and the nearby $\qquad$ internet router and tangle of Ethernet cords in the middle of the
$\qquad$ . "I kind of had my own $\qquad$ going on in here with my completely $\qquad$ ,
bare $\qquad$ and oppressive fluorescent overhead $\qquad$ , so I didn't know how a Christmas tree would look. But I have to say that this miserable little $\qquad$ and the pile of $\qquad$
$\qquad$ around it have really put the utterly $\qquad$ atmosphere of my apartment over the top." Sources noted that Uhlir's living room was only one $\qquad$ , shoddily wrapped Christmas present away from pulling off that hands-down, blow-your-brains-out $\qquad$ look.
