# My Easy Makeup Tutorial

For all the ladies out there, follow my easy step-by- \_\_\_\_\_  
\_\_\_\_\_ every day!

\_\_\_\_\_ every day!

First, we are going to start with the eyes. We will use \_\_\_\_\_ 's Ultra \_\_\_\_\_

\_\_\_\_\_ -Proof \_\_\_\_\_ liner! You want to start at the end and draw a \_\_\_\_\_ line

from your \_\_\_\_\_ to your \_\_\_\_\_. If you want that \_\_\_\_\_

\_\_\_\_\_ eye look then simply draw a \_\_\_\_\_ at the very end of your lid but keep it

\_\_\_\_\_. Align both eyes until evenly \_\_\_\_\_. You want to choose a color that

\_\_\_\_\_, so \_\_\_\_\_ is perfect or even a dark \_\_\_\_\_ is \_\_\_\_\_. [This is also

\_\_\_\_\_ for \_\_\_\_\_ shaped faces] Next we want to use an eyeshadow that's \_\_\_\_\_, I

like to \_\_\_\_\_ mine. For a \_\_\_\_\_ -time look, place a dark

\_\_\_\_\_ over your entire lid and use a bright \_\_\_\_\_ shade above it. Blend with your \_\_\_\_\_

until \_\_\_\_\_. Apply your \_\_\_\_\_ Lash mascara in deep

\_\_\_\_\_, this will make your \_\_\_\_\_ appear \_\_\_\_\_ and \_\_\_\_\_. Next, I

like to use a \_\_\_\_\_ -coverage foundation in \_\_\_\_\_. I use my

makeup brush to apply this all over my \_\_\_\_\_, blend well until it's completely \_\_\_\_\_.

If you need more coverage, wait \_\_\_\_\_ and apply another layer. Make sure to

use a \_\_\_\_\_ powder which will keep your makeup \_\_\_\_\_. Then we want to grab our

\_\_\_\_\_ powder, it's best to use a color that's \_\_\_\_\_ shades lighter than your skin tone,

then

apply a bronzer to your single body part bones, it helps to smile while verb plus ING. Then, we want to get that bold, Adjective lips look. Grab a lip verb plus ER pencil that's close to your natural lip color, I like to use brand name - walmart - mccain etc 's Moisture Adjective pencil in the shade Adjective fruit. Apply it Adverb and then coat another shade on top, I recommend using color. I also like to add some liquid over top to keep them moist all day. Last, we want to verb our eyebrows . I like to use a Noun for this, simply stroke your brows like you're verb plus ING your single body part, then add a brow gel to keep it Adjective. You will look Adjective all day if you follow my tutorial Adverb! I hope you enjoyed this, please share it with your family member - grandma father etc.
