Perfect Hangout

I wanted to find a hangout because my Noun is boring. I checked near the Proper Noun but There was no luck. Also the cops thought I was Verb - Present Tense so I got arrested. So once my Noun cleared everything up I kept looking. so I went to the abandoned Noun . But on my way there I saw a girl I Verb - Past Tense so we talked . Then her dad saw us and chased me with a Noun . So when I lost him . I checked Preposition or subordinating conjunction the Noun . There was some Noun - Plural but it was alright.
