One afternoon, [\_\_\_\_\_Choir Kid 1\_\_\_\_\_] KID 1] ran into [STORE]. This was an emergency! It was [NUMBER] pm, the musical was due to begin in [NUMBER] minutes, and Mrs. Mather was in a tizzy. Not only had [CHOIR KID 2]'s mom forgotten to bring all the makeup, but [CHOIR KID 3]'s [ANIMAL] had eaten the casts entire dinner, [CHOIR KID 4] and [CHOIR KID 5]'s dads had gotten in a screwdriver/handsaw fight, and the two most important pit members -- the [INSTRUMENT 1] and the [INSTRUMENT 2] -- hadn't shown up yet. Mrs. Mather handed [\_\_\_\_\_Choir Kid 1\_\_\_\_\_] KID 1] a [NOUN] and \$[NUMBER] and shooed him/her off to save the day. [\_\_\_\_\_Choir Kid 1\_\_\_\_\_] KID 1] walked down aisle [NUMBER] and grabbed a couple [PLURAL NOUN] off the shelf. He/she then proceeded to the back section of the store to find some [COLOR 1] lipstick, [COLOR 2] eye shadow, and [COLOR 3] foundation. He/she fled to the middle of the store to grab a first aid kit, then remembered the jelly beans for the make-up tables. Finally, [\_\_\_\_\_Choir Kid 1\_\_\_\_\_] KID 1] called [RESTAURANT ] and ordered [TYPE OF FOOD] for the whole cast. The End!
