# The Adventures of Ella and Sweet Marlon

There once was a Noun named Ella. She lived in a cute little Noun with her mum and her siblings--Milty Moose, Cutee Bear, Lily Bear and Sweet Marlon. Ella used to be a very Adjective kitty during the day when her mum was at Noun, but then her mum and dad adopted other Noun - Plural and Ella became very close to her baby moose brother Sweet Marlon. They liked to Verb together and Verb. At first their mum thought that Ella was beating up her Adjective brother, but he told her she was Adjective; they had lots of fun Verb - Present Tense on the bed, hiding under the Noun - Plural and exploring under the Noun. Their mum did not know about their day time activities. She always thought that they did nothing but Verb all day, but sometimes when she came back Adverb from work she noticed that Sweet Marlon was not Adverb where she had left him. During the day they started to go on lots of Adjective adventures together. One day they ventured out to the Noun. Sweet Marlon looked up at the top of the Noun and saw a moose guzzling a bottle of Noun. This looked like a really Adjective idea to Sweet Marlon, so he convinced Ella to Verb into the Noun where their mum kept her stash of wine. They Verb - Past Tense up on the counter and then up on the fridge. They tried the white wine first, but did not like it very much so they settled on the Adjective wine. They each had a whole Noun of wine and became Adverb tipsy. Sweet Marlon got the hiccups and Verb - Past Participle Ella, who Verb - Past Tense off the fridge. It's Adjective that cats always land on all Noun - Plural because it was a Adjective way down! She knocked over some magnets and fell with a thud. Sweet Marlon was Verb - Past Participle

and \_\_\_\_\_ over the edge. When he saw that Ella was okay he was so relieved that he started doing a \_\_\_\_\_ happy moose jig. Unfortunately for him, a \_\_\_\_\_ moose doing a \_\_\_\_\_ is not a \_\_\_\_\_ idea. He lost his footing and fell off the fridge, where Ella was \_\_\_\_\_ to \_\_\_\_\_ him. Sweet Marlon conked his head and it started \_\_\_\_\_ so Ella carried him back to his \_\_\_\_\_. She propped his head on a \_\_\_\_\_, covered him with \_\_\_\_\_, and they took a nice \_\_\_\_\_ nap together. A couple of hours later their mum returned \_\_\_\_\_ and saw them both sleeping. She said to herself "what lazy \_\_\_\_\_ I have." Ella giggled to herself as she thought back on the \_\_\_\_\_ she'd had with Sweet Marlon that day, and she decided that the next time they decided to drink \_\_\_\_\_ they should bring it down off the \_\_\_\_\_ so her \_\_\_\_\_ brother couldn't bump his \_\_\_\_\_ again!
