"Be My" Libs

I have known Melanie since we were Proper Noun. She's been there for me whenever I needed her, and even before I began planning my Noun, she was already giving me Noun and saying she'll do whatever I need. Your Noun has meant the Noun to me and I couldn't imagine not having you by my side on the most Adjective day of my life. Please say Adverb to the dress, and be Proper Noun! Our wedding would not be the same without you.

Love,

Alex

P.S. I promise not to be Adjective!
