Heidi's Birthing Adventure

As Heidi's due date approached , she could feel herself becoming more and more Adjective. There was so much that still needed to be done! The best part of preparing for the new baby was decorating the place in a home. She could picture it perfectly: Colorful Noun - Plural hanging from the ceiling, a Noun set up in the corner, and of course plenty of Noun - Plural. She knew how important it was to stock up on those!

One day, right after she returned from the type of store where she was buying more Noun - Plural, she felt a sudden pain near her body part. It must be time! She immediately contacted Yuri, then sat down to wait for a ride to the hospital. To calm her nerves while she waited, she indulged herself in a bit of Verb - Present ends in ING.

Soon, Yuri arrived and they were off! So excited were they to get there quickly that he stuck his body part out the window of the car and waved the entire way! The effort worked--surprised drivers got out of their way and the two arrived at location in record time.

Upon arrival, she was ready to deliver that she couldn't even present tense verb her contractions were that strong already! To make her feel better, Yuri spent a few minutes verb ending in ING but the distraction wasn't enough. After number minutes of waiting , she was whisked away to the place and prepared

for delivery.

The _____ arrived in the nick of time- whenever she _____, you could practically see the baby's _____! Already _____ centimeters dilated, the _____ suggested that she try _____ a few times. Thankfully, she was able to _____ enough to successfully push and soon you could see a little _____ peeking out! After only _____ more pushes, the baby was born.

A chorus of loud _____ was heard throughout the maternity ward. Little _____ was perfect! He weighed _____ pounds and _____ ounces, and measured _____ inches long. What's more, the little one even had _____! The baby was checked and gently wrapped in a _____, then given to the beaming parents to admire!
