I love you

You are the most _____, _____, and _____ person in my life. I cannot imagine my life would be without you. You make me stronger than I thought I could be. We are a _____ team and I am so excited to start our life _____ in our new apartment!! You make me _____ for the future and however it turns out I will always be _____ to have you at my side. It has been three years full of _____ kisses, _____ fights, _____ accomplishments, moments of doubt, _____ laughter, _____ tears but through everything you have always been there for me and there is nothing I want more than to be there for you as long as you will have me. You are my sweetest, truest, funniest, most caring, and sometimes annoying love and I wouldn't trade my time with you for anything! To the future my love. Merry Christmas and Happy New Year.
