THOMPSON

"Maybe there is no Noun. Or maybe this is all Adjective gibberish--a product of the
Adjective imagination of a Adjective drunken Noun with a Noun full of hate
who has found a way to live out where the real Noun - Plural blow--to sleep late, have Noun, get
Adjective, Noun whisky, and drive Adverb on empty Noun - Plural with nothing
in mind except Verb - Present Tense in love and not getting arrested . . . Res ipsa loquitur. Let the
Adjective times roll."
