Meet Erie, a Featured Author who has been on _____Proper Noun_____ for over a year. She has started 23 articles,

patrolled over 2,000 edits, and had 7 of the articles she started featured. She loves to write new articles and add

photographs, as well as patrol recent changes, categorize articles, correct spelling mistakes, and patrol tips. Her

favorite article she's ever worked on is How to Make a Bow Pencil Case, and her proudest accomplishment here

was becoming a Featured Author. Her favorite article on all of wikiHow is How to Care for Your Cat, and it was

the one that inspired her to join the community in the first place. She loves how the wikiHow community is like

her second family. Her advice to new users is to jump right in and edit out flaws or start new articles wherever

you can, making sure to sign up for an account so that people can get to know you!
