Happy Birthday

On January 19, 1984 a new Adjective boy was born into this world. He was a good baby that had lots of Noun diapers. He grew up as the youngest in his family. He loved to read books, Noun, and go to school. Once he won a prize for a drawing a picture of a (n) Noun.

When Dallas was in high school he loved to drive four-wheelers and make Noun. He enjoyed hanging out with his Noun - Plural and going on dates with Adjective Noun - Plural.

Dallas is now 30 years old, but he still looks like he's Number. He really wants to have some Adjective Part of Body by now, but he'll have to wait.

He has had some pretty good advice over the years, for example, "Aint much I can tell you that them Noun - Plural caint". So now's your chance to give him some better advice, like don't Verb your Proper Noun on the Noun.

Happy birthday! Here's to many more Adjective years and lots of Noun!
