Now that you've retired, your \_\_\_\_\_ twice monthly has come to an end. Hopefully your  
\_\_\_\_\_ is more than \_\_\_\_\_ or you might have to pick up \_\_\_\_\_  
work. You're done with the \_\_\_\_\_ of work, feeling \_\_\_\_\_ for time and dealing with  
\_\_\_\_\_ and \_\_\_\_\_. Go have \_\_\_\_\_ of fun!  
\_\_\_\_\_ you go to a \_\_\_\_\_ in \_\_\_\_\_, visit CHARLESTON,  
become a JOLLY RANCHER or ORBIT the moon I know you will have a RED HOT time.  
You're a STAR that BURST's with friendship and I really SKORed a great friend in you. You have brought JOY  
to my life and you are a SWEETheART to boot.  
We've acted like GOOBERS and have had many SNICKERS.  
We've gotten FRUITY after drinking lots of JUICY beverages.  
We've drawn CROWds at bars.  
We've had drinking SPREEs that left a line of BOTTLE CAPS in the dust.  
We've had GOOD times and made PLENTY of memories. At times you've been a LIFE SAVER.  
Deb Luke - You are the RIESEN for this note and you are worth a MINT. Live your life with ZERO regrets.  
Enjoy your retirement and know your friends will RALLY around you to help you celebrate. I will miss you  
terribly!

HUGS - Diane
