# The Arrival at the Red Pyramid

When we all arrived at the \_\_\_\_\_ Proper Noun Pyramid, we saw the evil god ,Set, stirring up his \_\_\_\_\_ Adjective storm to unleash over North \_\_\_\_\_ Proper Noun. Sadie's \_\_\_\_\_ Noun - Plural trembled and Zia's face became \_\_\_\_\_ Adjective and \_\_\_\_\_ Adjective. We were all breathing \_\_\_\_\_ Adjective and full of \_\_\_\_\_ Noun. A cool shiver went down my \_\_\_\_\_ Noun. I starred down at my sword, then at all Set's minions and all the weapons and spells they had. We were all \_\_\_\_\_ Adjective and extremely \_\_\_\_\_ Adjective for none of us had a proper \_\_\_\_\_ Noun in days. Sadie's powers were dull and Zia had no magic left. The only \_\_\_\_\_ Noun we had was my sword. I knew we were all doomed.
