The Arrival at the Red Pyramid

When we all arrived at the <u>Proper Noun</u> Pyramid, we saw the evil god ,Set, stirring up his <u>Adjective</u> storm to unleash over North <u>Proper Noun</u>. Sadie's <u>Noun - Plural</u> trembled and Zia's face became <u>Adjective</u> and <u>Adjective</u>. We were all breathing <u>Adjective</u> and full of <u>Noun</u>. A cool shiver went down my <u>Noun</u>. I starred down at my sword, then at all Set's minions and all the weapons and spells they had. We were all <u>Adjective</u> and extremely <u>Adjective</u> for none of us had a proper <u>Noun</u> in days. Sadie's powers were dull and Zia had no magic left. The only <u>Noun</u> we had was my sword. I knew we were all doomed.
