UVU PFP Mad Libs

Hi my name is _____Proper Noun_____ _____Proper Noun_____, but you can just call me _____Proper Noun_____ . I currently have 21 dollars in my wallet. When I started managing my finances I was worth -$28K, and now have a net worth of $10K. I currently work for the government and have been doing it for 2 years. I make roughly $50K per year. I want to have $6MM waiting for me when it comes time to retire. Aside from learning about finances, I really enjoy playing tennis. I think the world would be a better place if gerbils didn't exist. I had chicken alfredo for dinner last night and it was mediocre. I have had 5 significant others over the course of my lifetime (counting awkward middle school relationships). One thing that makes me different is I had a mole removed 'cause I thought it looked like a third nipple. Now that I'm done with this mad lib, I think I'm going to get on a plane and fly back to San Diego.
