# Pointless

Hello, my name is Ewala. I come from the planet Alawe, in the galaxy Ewala, in the universe Alawe.

But the \_\_\_\_\_ is I tried. If you think you need to go to the bakery, please do so now,

because I do not want to be interrupted while I tell you my story. ...but anyway, I have been \_\_\_\_\_

\_\_\_\_\_ about my happiness lately and have come to the conclusion that I am happy. This is annoying. If you saw a chicken as happy as me, I'll replace it, and give you a full refund... no questions asked!

But that's not the point. The point is I am \_\_\_\_\_ operated.

Well, actually I am not.

But that's not the point. What is the \_\_\_\_\_?

"The point is everyone should have my game and timetable! screamed someone who I subsequently smacked across the face and decapitated before sending him home in a cardboard box.

Before I introduce myself, let me share with you a story. A story about me, and how \_\_\_\_\_ I am. But first, I think it would be \_\_\_\_\_ to introduce myself. I am going to do this \_\_\_\_\_. So, it all started, in a \_\_\_\_\_ house, north of Wellington, south of \_\_\_\_\_ and east of where you are sitting right now. It was a dark night, with no birds nor chickens, and it was raining a silent rain. There were too many \_\_\_\_\_ to count, and not enough clouds to cover them. I like chickens. But anyway, what was I doing in this \_\_\_\_\_ house?

"I was laughing at the \_\_\_\_\_ of dog food with you, \_\_\_\_\_!?" said Stevens

I needed to find something, so looked for it, and the most amazing thing happened!

I \_\_\_\_\_ Verb - Non 3rd Person Singular Present IT!!!

Guess what it was??? it was a piece of crispy bacon, which I dropped last Christmas. I thought the dog \_\_\_\_\_ Verb - Past Tense it, but I guess it didnt. There were many things over there where I always looked for things, but I didn't like them, so I don't know why I was always looking for them. But this thing I did like. And this \_\_\_\_\_ Noun, it liked me right back in the face.

But I don't like things that like me. They smell funny. So I made it friends with it, seduced it, then strangled it in the night and ate it's flesh. The bacon wasn't happy with this, and \_\_\_\_\_ Verb - Past Tense itself to sleep. But then in the plane, he needed to go pee, so I laughed myself to sleep as he \_\_\_\_\_ Verb himself to wake. He was definitely awake when the plane started to \_\_\_\_\_ Verb. He was definitely going to fall with the plane, and he was definitely going to get lost again. And lost he did get. \_\_\_\_\_ Noun in the eternal sea of human sadness, lyrically beautiful without the physical countenance to outweigh it's inherent irony. And that was where he found himself, lost in an abysmal abyss... That was where he found \_\_\_\_\_ Pronoun.

He was taken to new levels of excitement, when he \_\_\_\_\_ Pronoun himself. Oh what a day....

\_\_\_\_\_ Interjection ...what a \_\_\_\_\_ Noun. But this was to be \_\_\_\_\_ Verb - Past Participle, because he was not just random. He was \_\_\_\_\_ Proper Noun with a capital D. But anyway, who cares about the bacon, this story is about me.

Me
