Our Crazy Sleepover

On Saturday night, my friends and I had a sleepover at _____ 's house. _____

_____ 's dad dropped us off and we helped _____ prepare the afternoon snack food

until everybody else had arrived. While we were supposed to be _____ the _____,

_____ was practising her karate kicks and kicked _____ in the

_____, causing her to drop the _____ onto the floor! What's worse is it splattered all over

my nice new outfit. Talk about embarrassing!

Later on, when we were playing outside, _____ suggested we play _____.

_____ decided we should all make up a(n) unique _____ song together. It

went something like this:

One, two, three, four

_____ knocking at my door

Five, six, seven, eight

We're the _____ in the _____!

We realised after that it might have sounded a bit better if we'd made it rhyme.

For dinner we had _____, _____, _____, and _____.

_____ tried making a sandwich out of all her food, until _____

spilled her _____ onto _____ 's plate. _____ was

_____!

"You

_____ Adjective _____, _____ Adjective _____ Noun _____!" she yelled.

"I'm sorry," squeaked Repeat Last Female friend number three _____. "It was an accident!"

"Accident my _____ Body part _____!" shouted Repeat Last Female friend number four _____.

At _____ Number between one and twelve - in numerals _____:30, it was time for us all to go to bed. Repeat Last Female friend number one

_____ Verb ending in -ed _____ ourselves laughing.

Then Repeat Last Female friend number four _____ dared Repeat Last Female friend number one _____ to yell out the window to her

_____ Noun _____ is _____ Adjective _____!" You should have seen their reaction!

But after that, Repeat Last Female friend number one _____ dared me to call _____ Famous person _____ and ask for a(n)

_____ Noun _____. I thought it would be _____ Adjective _____ at first, but it turned out Repeat Last Famous person _____ didn't

mind my call at all. In fact, we ended up having a _____ Number _____ minute conversation! Boy did that surprise

Finally we decided to settle down and try to go to sleep. But by 11:56, we were still feeling wide awake.

"Let's go get a midnight snack," suggested Repeat Last Female friend number four _____.

"We'll get caught!" said Repeat Last Female friend number three _____.

"No we won't," sighed Repeat Last Female friend number two .

"What food do you have?" I asked Repeat Last Female friend number one .

"Let's go see," she replied.

"I'll look under the Noun , " offered Repeat Last Female friend number two .

"I'll get the Plural noun , " whispered Repeat Last Female friend number one .

"I'll feed the Animal , " I said.

number four ?"

We all looked around. Repeat Last Female friend number four wasn't in the kitchen.

"Maybe she's in the Noun ?" suggested Repeat Last Female friend number three .

"Or maybe she went to Verb the Noun , " said Repeat Last Female friend number two .

"I don't think so," said Repeat Last Female friend number one . "That's a very Adjective thing to do."

"Maybe she'll turn up later," I said. So we continued preparing our midnight feast.

In about 10 minutes, we had prepared a very Adjective looking feast. We headed out of the kitchen

towards the bottom of the staircase. Just as we were about to walk up, we noticed a shadowy figure making its

way down the stairs towards us.

"Aah!" we screamed. Repeat Last Female friend number three dropped the tray of food, which landed with a(n)

bruise on her _____ Body part _____ from hitting the Repeat Last Noun _____, but we'd gotten away without trouble (so far), _____

were all still feeling a bit _____ Adjective _____ at Repeat Last Female friend number four _____, though. She was still giggling right _____

up until we got into bed.

"Stop that, would you?" hissed Repeat Last Female friend number three _____. "Some people are trying to _____ Verb _____ here."

"I'm sorry," tittered Repeat Last Female friend number four, "but honestly, you all looked so Adjective! You
should have seen yourselves as you went tumbling over backwards!"

Repeat Last Female friend number three started giggling then.

"And Repeat Last Female friend number two, when you crashed into the Repeat Last Noun -"

Suddenly Repeat Last Female friend number one and I were laughing too.
