College Essay

Recount an incident or time when you experienced failure. How did it affect you, and what lessons did you learn?

In my _____Number_____ years of life, I have always known I wanted to make a _____Pretentious synonym of meaningful_____ difference in my community. My peers waste their time doing _____Condescending synonym of meaningless_____ activities like _____Random extracurricular activity_____, _____Random extracurricular activity_____, and _____Random extracurricular activity_____, but then again, I have always been different. I have never been comfortable with being a follower, and have always sought to forge my own unique path in the world. Academic success has always come easily to me, and i have worked very hard to get to where I am. I consistently maintain a _____Letter_____ average in all of my intensive courses, while doing _____Impressive Extracurricular_____ and _____Impressive Extracurricular_____ with my very limited free time . I really love learning for the sake of learning, not just to get a certain grade. My teachers and friends respect me and understand what a _____Positive adjective_____ person I really am. Just ask them! I have even won many awards in the _____Academic field_____ discipline for my hard work on a _____Research Project_____. You may ask, how does this _____Synonym of busy_____ (boy/girl) have time to make a meaningful difference in his/her community? I'll tell you: It is because i make things happen.

One person who inspired me to make a difference in my community was _____Cool person you know_____. He/she taught me about _____Important Lesson_____ by _____Method of teaching lesson_____. _____Cool person you know_____ opened my eyes to a new way of life that i had previously never considered. _____Cool person you know_____ has done so much with

(his/her) work for others less fortunate, and has really influenced my decision to make a positive impact on someone else's life.

I have always felt really passionately about _____Social Justice Issue_____. Many days of my life have been spent pondering just how i can help solve _____Social Justice Issue_____, and finally I came up with a solution.

In my _____Year of School_____ year of high school, I got involved with _____Social Justice Organization_____, helping underprivileged _____Underserved Population_____. Through my involvement with this program, I feel that I have learned how to _____Skill Colleges Will Appreciate_____ better, which I believe is a skill that will help me to thrive in college. Working with _____Social Justice Organization_____ has been an unforgettable experience, and I know I have helped them as much as they have helped me. I am now more mature, and better equipped to deal with the challenges college throws at me. When faced with adversity, I can push through and create my own success. As _____Famous Intellectual_____ once said, _____Quote that may or may not have to do with the content of the essay_____.
