# noice

\_\_\_\_\_ Noun was the \_\_\_\_\_ Noun from the society who had contacted him. Although if he was being honest, he had thought about doing it when he was about eighteen years old. Not long after that he had joined the army and it had all gone from his mind. So when he got the phone call to say they'd found her \_\_\_\_\_ Noun that she wanted to speak to him, he decided he had nothing to lose and perhaps a mother to gain. One who had left him when she was only sixteen, in an \_\_\_\_\_ Noun. He took a deep breath and knocked.
