About WEI

Western Energy Institute (WEI) is a regional association serving the electric and gas industries, both public and private, throughout the Western United Proper Noun - Plural and Canada. Based in Portland, Oregon, WEI was Verb - Past Participle in October 2000 from two longstanding industry associations - the Western Electric Power Institute (WEPI) founded in 1908, and the Proper Noun Coast Gas Association (PCGA) founded in 1893.

WEI's membership is comprised of more than 65 energy companies, including gas pipeline, electric and gas distribution, electric generation, power marketers and over 170 industry service providers. WEI offers a Noun and open learning environment to Verb effective leaders and ensure well-trained employees. Each year WEI sponsors educational and Noun programs benefiting over 1950 Noun - Plural. For 2012-2013, WEI had more than 660 volunteers focused on helping member companies thrive in Adverb competitive energy Noun - Plural.
