

Whole Grains

1. Adjective
2. Proper Noun

Whole Grains

One day, there was a whole grain who was very Adjective. She wanted someone to eat her., So she went to Proper Noun & asked for help. _____ said go to _____.

"There will be lot's of _____ there to you up." _____ said. "You will be eaten easily because anybody that eats you will have more energy & will become really healthy."

"Great."

The whole grain went to _____ instead. There she found _____! The whole grain quickly ran home to _____ & huddled in her _____ & went to sleep. Later on a _____ cam & ate her up. The _____ was very healthy & won the soccer tournament he was playing in. The _____ had lot's of energy! Always eat whole grains!
