Harry Potter Sequel

J.K. Rowling stopped at seven books but she always had plans for a number eight. In this last book the relationships between the characters would have been tested. Dumbledore would have been revealed to have a had had a secret relationship with _____Harry Potter character preferably male_____, and they had considered moving to the country and raising _____Animal (plural)_____ before Dumbledore died.

Ron and Hermione would have had a giant fight which ended in Hermoine casting a nasty _____jinx name_____ jinx on Ron which would have made him unable to stop _____jinx effect_____. Harry and Ginny would have broken up when Harry told her she _____confession that ruins a relationship_____. She calls him a/n _____Adjective_____ _____Noun_____ and takes all their _____possession_____ when she left.

The new book would have ended with Harry using a time turner to go back and warn his past self not to go out with Ginny. This would have created new reality in which _____Harry Potter character_____ became a _____wizard occupation_____ and wizards had to bow down to _____magical creature_____.

By the time Harry fixes his mistake he ends up in a relationship with _____Harry Potter character_____ and they have _____Number_____ kids, naming the first one _____First Name of a Person_____ .
