The Things I Bought at Con

A Con's market should never be passed by. There are so many unique items that you have to
spend your money wisely, and browse I did, so let me tell you what I bought today!
I have been looking for a for a while, and that's why I was excited when I found one with
on it. Who would have thought? It goes great with my costume! I'm a The
vendor was also selling <u>Noun</u> , 2 for <u>Number</u> . It was a bargain!
I also managed to do a little gift shopping. I found this great with giving
a on it. I can't wait to give it my, she is a big fan and will
really appreciate it! I never thought I would find something so!
My friend and I went halvsies on
collection, and will look great on my The one thing I paid a lot of money for, though, was a
miniature model of character - possessive Noun I wasn't sure if I should spend the money at first,
but it was such good quality I had to have it!
The best thing I got I didn't even have to buy: an autograph from . famous person ! I didn't have paper when
I met him/her so I had him/her autograph my instead! I'll treasure the signature always, and all
the

cool stuff I got will be the perfect reminder of the _	Adjective	_ time I had at Con!
