How to Handle a Sword

Choosing your weapon is an important aspect of becoming a hero. Swords are a classic, elegant weapon with
multi-purpose uses. But, if you have no knowledge of how to handle it, it can be
First you must choose the specific sword for you. Do you want to rely on strength when
crushing your enemies? Then a broadsword is for you sweeps of your enormous sword will
your enemies when you use this two-handed weapon.
Do you prefer to rely on agility? Then the rapier or the katana might be more up your alley
and these blades depend on your speed to pierce your enemies.
Before entering a battle, you must always remember to take care of your sword and
Noun will weaken it. Polish your sword with a cloth, make sure to rub out anything that can tarnish it.
Take extra care to maintain sharpness by constant upkeep with and trips to the Location
shop.
When you find yourself facing an enemy on the battlefield, remember to keep your cool. When you grasp your
sword, grasp the the hilt with a strong but grip. Don't hold the sword from the sharp end no
matter how it may be. And remember the basics of sword fighting is to stick your enemy with
the

pointy end.

And, the best advice of all, practice makes perfect. Keep practicing!
