# R2R Polyphonic Poem

I wish to \_\_\_\_\_ Verb you

With my \_\_\_\_\_ Verb - 3rd Person Singular Present.

Creating a duet,

Peaking on the crescendo

Echoes of my beloved

Rise and \_\_\_\_\_ Verb - Base Form

As the \_\_\_\_\_ Noun fades to \_\_\_\_\_ Color.

\_\_\_\_\_ Verb - Present ends in ING alone,

Before an audience of \_\_\_\_\_ Number,

I am a living music \_\_\_\_\_ Noun

Sheltering a \_\_\_\_\_ Noun that never plays.
