kCura 2014

This year, kCura plans on releasing two updates of their software, Proper Noun. The first release will include Number new features, developed by our in-house software developers and Noun - Plural.

The other release, coming later this year, will Verb - Base Form our industry. "We're so Synonym for excited to show our tools to our customers," kCura Employee said. "It's going to be Adjective."

As a Adjective treat for our customers, the kCura crew is planning on a Adjective Relativity Fest. It will be held at Location and feature international recording artist Come up with a band name, along with Celebrity, Celebrity, and Celebrity sharing how Proper noun from number one has changed their lives.
