Work

Working here is very Adjective sometimes. Whether you are in the Noun or out on the Noun, crazy things always happen. In the Noun we get people that Verb - Base Form and Verb - Base Form until they get a Noun. They curse, call names, and are just plain Adjective. Out on the Noun, the guys aren't the greatest either. One time a crew Verb - Past Tense a Noun Noun! Noun was everywhere. As much as I don't like this job sometimes, it is very Adjective.
