# Chickenpox...Yuck

See ya!

\_\_\_\_\_ Noun waved to Gaz and his mum as they backed out of our driveway. It was sort of weird that mum

hadn't picked me up from school. Gaz's mum said it was because she was sick. I didn't mind \_\_\_\_\_ Verb -

\_\_\_\_\_ Present ends in ING home to Gaz's place after school though because Gaz's mum and dad are rich and I got to ride

in their brand new car - it's so \_\_\_\_\_ Adjective.
