2. Verb - Base Form

I Am Jane!

"Jane's a keeper!!!" At least that's what everyone she's ever met has said. Upon further questioning it was determined that her being a life-time NOUN and spending her days Verb - Present ends in ING sets her above the rest. Jane's love of ANIMAL and Verb - Base Form just adds to her greatness and, on top of that, her knowledge of AUDIOLOGY WORD is startlingly awesome. Jane's ability to be DESCRIPTOR really made her a NOUN and just added to her ADJECTIVE. All in all, it's unanimous...we're so ADJECTIVE to have Jane!
