\_\_(Adjective)\_\_(17),

On a \_\_(Adjective)\_\_ afternoon on September 26, Ashley and I will tie the knot.

I need some good \_\_(2) on my side to finish the plot.

Like Danny Ocean, \_\_(9) and assembling my crew.

I've searched all across \_\_(8), I've selected a few.

Brad Pitt is busy \_\_(23), and sadly Bernie Mac is dead.

So this group of \_\_(18) will have to do instead.

\_\_(3) Joe Bellucci will be the brains of the operation.

Wait until you see his famous dance move called the \_\_(13).

Brother TJ will show up with his \_\_(6) and surf board.

If \_\_(14) were a contest, he would get an award.

Steve's stage name \_\_(4)\_\_(21), helps him get all the broads.

He's in charge of the fantasy \_\_(12) draft and betting the odds.

Kevin will \_\_(25) against your \_\_(15) when it comes to \_\_(7) press.

Extra small \_\_(5) are the secret to his successes.

Tom will make your favorite fat \_\_(11) topped with \_\_(24) for a fee.

It makes him feel \_\_(19) when people confuse him and me.

Lastly Mont who invented the \_\_(10)\_\_(26) position.

He

vomits louder than stampeding \_\_(16)\_\_\_ so we won't need ammunition.

Inside the box is a barrel aging kit to make your own special \_\_(20)\_\_\_ blend.

So let's crack it open the next time we're together my friend.

I'll be honored if you accept my invitation, but you're not obligated.

At the very least you can be sure we'll get intoxicated.

Will you be a Groomsman?
