My bad habits

I have a Noun YouTube; I have some really strange bad habits. When I get emotion I verb present like a animal , and sometimes when I get emotion I verb present . I talk about Noun in my sleep, and that is why my parents moved me place . When I get overly emotion I Verb everything I say. When I verb present the Noun Noun on my Noun I like to Verb the Noun . When I'm emotion I like to move in slow-motion and pretend I am a Noun . I greet Noun - Plural I don't know by saying " random sentence !" I greet people I know by saying " random sentence !" Before I can do my Noun I have to Verb and afterwards I have to say Noun Noun backwards. When I am emotion I verb present on one foot and sing the name of a song Noun . If Noun asks me what my favorite Noun is I always say random sentence . I need Verb , and if you know where I can get some verb present like a Noun .
