5. Verb - Present Ends In Ing

## xena

The \_\_\_\_\_ Noun was a snug, and cheerful place, despite or perhaps enhanced by the howling of the winds that rattled the roof, and caused the wall planks to creak in protest. Inside, a fire crackled invitingly, and the scent of cinnamon and apples was wafting across the room.

On a thick, \_\_\_\_\_ Noun hide near the fireplace, a compactly made woman with red gold hair was sprawled, dressed in a warm, \_\_\_\_\_ Adjective sleep shirt despite the full daylight outside. A black furred wolf slumbered at her side, his paws twitching gently, and his breath warming her leg. Spread around her were neat piles of very old scrolls, and she was \_\_\_\_\_ Adjective notes on a newer piece in a strong, firm hand.

Gabrielle \_\_\_\_\_ Verb - Present ends in ING in her writing to lift a long fork, and probe the apples that were roasting, and spared a faintly amused look towards the tall, still form standing near the window.
