# Big Dog and Little Dog

Everything has an opposite. Sometimes these things are called "antonyms." The opposite (or antonym) of big is \_\_\_\_\_Noun\_\_\_\_\_. The opposite of loud is \_\_\_\_\_Noun\_\_\_\_\_. And the opposite of \_\_\_\_\_Noun\_\_\_\_\_ is sad. But there are funny words that combine the word with its antonym. Those are called oxymorons! Jumbo shrimp is an oxymoron. Bitter sweet is another oxymoron. Can you think of some more?
