Teacher Appreciation 2014

Dear ,

In honor of Teacher Appreciation Week, I'm wishing you an Adjective day filled with Noun -
Plural and Noun - Plural. I hope that your day is just as Adjective, Adjective, and
Adjective as you are to me. I also hope the PTSA feeds you Adjective food, Adjective
drinks, and Noun - Plural because you deserve a Noun. I Adverb remember all the
Adjective things I have learned from you this year, especially "Stop Common phrase or words of wisdom
drop, and roll". Even though we students are Adjective, Adjective, and usually act like
Noun - Plural, know that deep down we appreciate all your Adjective work. Thank you for all the
Adjective things you do every day. You are a Adjective teacher!

With Sincere thanks and Noun - Plural,
