# Rebecca Thomas <3's sex

Once upon a time, a baby was born from his mothers Body part the babies name was First name.

First name used to put Object on her Body part and start masturbating when she was about

6 months old because of her moms active sex life with the neighborhood Object. one day when

First name was about Number she had Number children, she also had Diseases

Number time and Diseases around Number time. she was kicked out cuz her kids were

really annoying. when First name got Number she ate her Number kid. after about

Number days all her kids were gone and First name was dying of withdrawls of sex. she found an

inderged Animal stuck her Body part it its mouth.. it died instantly after eating her Body

part. then the Animal babies came and killed First name and fed her to the Animal

because the Animal knew she wldve killed them if they ate her..no more Animal :).
